To the Board of Directors

Westwood Village Homeowners Association, Inc.
Sandpoint, ID 83864

I have compiled the accompanying statement of assets, liabilities, and equity – modified accrual basis of Westwood Village Homeowners Association, Inc. (a corporation) as of April 30, 2013 and 2012, the related statement of revenues and expenditures for the one month and four months then ended, and the statement of cash flows for the one month and four months ended April 30, 2013. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the modified accrual basis of accounting.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified accrual basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The supplementary information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has been compiled from information that is the representation of management. I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide any assurance on such supplementary information.

The American Institute of Certified Public Accountants has determined that supplementary information about future repairs and replacements of common property is required to supplement, but not required to be a part of, the basic financial statements. These financial statements do not present this supplementary information.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the modified accrual basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Company's assets, liabilities, equity, revenues, and expenditures. Accordingly, these financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to Westwood Homeowners Association, Inc.
