To the Board of Directors

Westwood Village Homeowners Association, Inc.  
P.O. Box 773  
Sandpoint, ID 83864

I have compiled the accompanying balance sheets for Westwood Village Homeowners Association, Inc. as of February 29, 2012 and 2011 and the related statements of revenues and expenditures, cash flows and supplemental schedules 1 and 2, which are presented for supplementary analysis only, for the month and the months then ended in accordance with the Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any form of assurance on them.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The American Institute of Certified Public Accountants has determined that supplementary information about future repairs and replacements of common property is required to supplement, but not required to be a part of, the basic financial statements. These financial statements do not present this supplementary information.

I am not independent with respect to Westwood Homeowners Association, Inc.
